Project TARASH Scheme provisions

Project Objective

The objective of the Project TARASH is to financially support underprivileged yet talented children to help them secure admission into the country's top engineering and medical graduate institutes through coaching at reputed coaching institutes at Nagpur for respective entrance exams JEE & NEET-UG. Under Project TARASH, For academic session 2024-25, a total of 40 students will be selected without any individual specific limit for NEET & JEE students. Selected students will be provided with financial support for following:

- a. Coaching Fees for preparing for Entrance Exam – JEE & NEET
- b. Hostel Fees for duration of Coaching
- c. School Fees for XIth & XIIth Class
- d. Monthly Stipend of Rs 1000 per student

Target Beneficiaries

The project will focus on identifying talented children from Economically Weaker Sections of society (i.e for children whose parents Annual income is less than 8 Lakhs per annum) who have the potential to excel in engineering and medical fields but lack the resources and financial means to secure admission into top institutes. Eligibility Criteria for application under this scheme would be any student from Govt aided school / Govt School/WCL aided school passing out class Xth from any of the Operational Districts of WCL viz Nagpur, Chandrapur, Yavatmal, Chhindwara & Betul & within vicinity of area of WCL mines.

Selection Methodology

Enrolment Forms will be circulated to all Govt aided school / Govt School/WCL aided school passing out class Xth from any of the Operational Districts of WCL i.e within vicinity of area of WCL mines. An assessment test will be conducted for all the enrolled students.

Assessment Test will be in Multiple Choice Questions format. Syllabus will be as below:

- **For JEE Aspirants** - Physics, Chemistry, Mathematics (Class Xth Syllabus)
- **For NEET Aspirants** - - Physics, Chemistry, Biology (Class Xth Syllabus)

After the exam, A final merit list of 40 students across 5 districts will be prepared from Weighted Average of

- Marks scored in Entrance exam (minimum cutoff marks of 40%)
- Marks scored in Xth Class Board Exam (minimum cutoff marks of 75%)

Expected outcomes

Children will get access to quality coaching for JEE & NEET-UG exams. The project will help bridge the gap between talent and opportunity by providing equal opportunities to underprivileged children to secure admission into top engineering and medical institutes. The project will encourage talented children to pursue higher education and help build their careers in the engineering and medical fields
