**TERMS and CONDITIONS FOR e-SALE OF SECONDARY PRODUCTS and CAPITAL ITEMS (Scrap) of
WESTERN COALFIELDS LIMITED**

By M Junction

1. General Clause:

Western Coalfields Limited (herein after termed as “WCL”) will dispose of the items as listed in the auction catalogue through mjunction on “as is where is” basis. Tonnage indicated would be approximate and delivery would be as per the actual weight **limited to weight given in the lot**. M-junction will conduct the e-Auction on its website <https://www.metaljunction.com/>

2. Bidder Registration:

Before participation in the e-Auction, a prospective bidder shall be required to get itself/himself registered with mjunction for the purpose, by submitting an application in the prescribed format available on the website. Details of the registration process are available on the mjunction website <https://www.metaljunction.com>. The application shall be made along with the documents (1) copy of latest Income Tax return (2) PAN Card (3) GST Registration Certificate, (4) SSI Registration Certificate (if applicable) (5) Trade License . Registration shall be done online by forwarding the application form backed up by the necessary documents through online. After the registration, all prospective Buyers will have an auto generated “password” based on which they can log in.

3. Inspection:

The bidders are free to inspect the items/ materials, ready for disposal for their satisfaction on any working day of the location during working hours as per the dates/ times specified on the auction catalogue. Intending bidders shall be allowed to inspect the goods as mentioned in the catalogue for sale prior to the auction by arrangement with WCL.

4. As is where Basis is:

Goods will be sold ‘as is where is’ basis. Bids will be deemed to have been made on the clear understanding that intending bidders have satisfied themselves fully in regard to the nature, condition, quality and quantity of goods upon inspection or otherwise. No error, omission or misstatement or mis-description or printing mistake whatsoever and howsoever made or published whether in the catalogue or otherwise and no defects or faults in the goods shall annul the sale or be the subject of any claim on the part of the bidder and no claim for compensation or otherwise be entertained by WCL. Further, WCL will take it for granted that the bidders have fully read and understood the language, spirit and objective in these “terms and conditions of sale” of the materials before making any bid and that there does not exist any ambiguity whatsoever in the expressions.

5. Bid Validity Period:

The bid submitted should be valid for **45 days** from the date of completion of the auction

6. The decision for the acceptance/rejection of the rates offered by the bidders shall be communicated by mjunction through lot confirmation letter, e-Mail, SMS or any other mode felt necessary. The bidder will then be required to make payments as stipulated.

7. WCL and/or M-Junction shall be under no obligation to put up the lots singly or serially or in any other particular manner and WCL reserves the right at its discretion to withdraw any lot or lots from sale at any time without assigning any reason thereof.

8. All lots will be sold subject to approval by WCL. WCL reserves to itself the right:

- a. To accept or reject the highest offer or any other bid or all the bids
- b. To accept any bid in full or in part
- c. To apportion the total quantity amongst different bidders.
- d. To accept or to reject the online auction result. The bidders would have no claim for issuance of sales release orders.
- e. To cancel or reschedule the auction.

9. Bidders bidding for the goods sold shall be deemed to have taken into account and made due allowance for the cost of cutting (if required), handling, loading or other expenses (including dismantling if permitted by WCL) for purposes of removal of the goods and shall be entirely responsible for booking goods by rail / road where so required. WCL will affect delivery of goods only at the site or at a convenient location which will be notified at the time of sale.

10. Earnest Money Deposit:

Every bidder will have to deposit Pre-Bid EMD of Rs. One Lakh only against each auction to service provider before the e-auction. The EMD is to be paid to M-junction through Online Transfer. The EMD of the successful bidders will not be adjusted against security money / towards payment of sale value. The Pre-Bid EMD will remain deposited with the Service Provider. The Pre-Bid EMD will be refunded to unsuccessful bidder within 3 working days after closing of the auction by the Service Provider. In case of successful bidder, the Pre-Bid EMD will be retained by the service provider till the full payment of the Lots is submitted by the successful bidder to the WCL HQ through EFT.

If the bidder failed to deposit the full materials value (Security Deposit + Balance Payment) within the stipulated period, his EMD amount will be forfeited without issuing any prior notice to the bidder. The EMD/Security Deposit/Balance materials value so paid will not attract any interest. In case of forfeiture of Pre-Bid EMD, the successful bidder has to pay GST and other tax if any at applicable rate to WCL. In case of failure of the bidder to deposit the GST (at applicable rate) the firm will be debarred from participating in WCL auctions for additional 6 months.

11. Statutory Documents:

Goods & Services Tax (GST), TCS, any other Taxes, duties (imposts) whether payable to the Central Government or to the State Government or to the Municipal, local or other authorities shall be deposited by the buyer to WCL along with the Sale value of the materials. Non-payment of any amount payable under this clause will have the same effect as non-payment of the purchase money and will result in ipso-facto cancellation of the sale and forfeiture of the security deposit. If the liability of such tax (impost) and/or duty is in doubt, M-junction will have a right to call upon the buyer to make such provision as WCL may deem fit and proper to ensure the recovery of such taxes (impost) and/or duty. If the tax (impost) and/or duty is not recovered at the time of delivery/dispatch WCL/ M-junction will have the right to call upon the buyer, to pay such amount as may be due whenever the WCL/ M-junction find that it has omitted to charge or WCL become liable to pay higher charge as a result of decisions or announcements by Government or any other competent authority, even though, the full value of the materials may have been already paid or delivery/dispatches may have been completed from WCL's units. WCL shall be free to call upon the buyer to make the amount short recovered whenever such contingency should arise, or WCL shall be entitled to recover the Amount of such tax (impost) or duty from the buyer by way of set off against any amount or amounts that might at any time become payable by WCL/ M-junction to the purchaser on any account or accounts whatsoever. Taxes as applicable from time to time shall be payable by the buyer.

12. Payment Clause:

- a. **The security deposit and the balance lot value are to be submitted lot wise only. Each lot as indicated in the auction catalog will be treated as a separate unit for the purpose of payment, lifting, refund etc.**
- b. Payment of Security Deposit- Security Deposit of 25% of Material Value of the lots sold to the buyer should be deposited to WCL HQ through NEFT/ RTGS within 7 days from the date of intimation. If the total value of Security Deposit is more than Rs. 10.00 Lakhs (Rupees Ten lakhs), the period allowed for Depositing the Security Deposit shall be 15 days from the date of intimation. **As per section '194 O' of Income tax act, 1% (One percent) of 25% of basic Sale value shall be deposited to the Service Provider and rest of 25% of basic sale value of Security Money along with penalty(if any) and Taxes to be deposited to WCL directly as per the Sale intimation letter issued by Service Provider.** In case the bidder fails to deposit the Security Money within the prescribed period, it will be presumed that he has abandoned the lot and the sale of that lot shall be treated as cancelled and his EMD shall be forfeited. Further, the defaulting buyer shall be debarred for participating in the e-auction of that WCL for 6 months.
- c. The request for extension of deposition of Security Deposit may be considered by WCL Hq after levying penalty (1 % of the sale value with applicable GST, if any) with the approval of concerned GM (MM) HOD, for maximum 7 days. **However, under circumstances beyond control of the buyer/ force majeure conditions, the CIL Subsidiary Co. may allow payment beyond stipulated period (without penalty), as per the 'clause 27'.**
- d. Sale Order: - On confirmation of payment of Security Deposit by WCL, Sale Order will be issued with balance payment due date by Mjunction Services Limited to buyers registered Email Id.
- e. Balance Payment: Balance 75% Payment for the full value of the lot (along with GST and /or TCS) shall be deposited by the Buyer to WCL through NEFT/ RTGS within 15 days from the date of Sale Order (if the lot value is less than Rs.50 Lakhs) or within 30 days (if the lot value is More than Rs.50 Lakhs. For the delayed payment beyond scheduled period, penalty of 1% of unpaid material value (excluding Tax & TCS with applicable GST, if any) per week or part thereof will be leviable for delayed period, for next 4 weeks with approval of GM (MM)/HOD. **As per section '194 O' of Income tax act, 1% (One percent) of 75% of basic sale value shall be deposited to the Service Provider and rest of 75% of basic sale value along with penalty(if any) and Taxes to be deposited to WCL directly as per the Sale Order issued by Service Provider.** However, if the balance payment is not received within the due date of payment as indicated above, the Security Deposit against that lot and Pre-Bid EMD shall be forfeited and such lot(s) will be deemed to have been abandoned by the buyer and shall again be put up for auction. The buyer shall have no claim on such lots. Further, the defaulting bidder will be debarred from participating for Six Months from the date of Closing of Auction. **However, under circumstances beyond control of the buyer/ force majeure conditions, the CIL Subsidiary Co. may allow payment beyond stipulated period (without penalty), as per the 'clause 27'.**

GENERAL RULES AND REGULATION GOVERNING CONDUCT OF ONLINE AUCTIONS ON THE “SERVICE PROVIDER” PLATFORM

INTRODUCTION:

This Online Forward Auction is being conducted for Western Coalfields Ltd (hereinafter referred to as the “Client”) on the Auction Platform of metal junction services ltd (hereinafter referred as “Service Provider”).

The General Rules and Regulations provided herein govern the conduct of on line forward Auctions arranged by “Service provider” on its Auction Platform. These rules cover the **roles and responsibilities** of the parties in the online Forward Auctions on the Auction Platform. **Acceptance in-toto to these General Rules and Regulations governing conduct of online auctions, and Terms and Conditions for Sale of Materials by auction, of Western Coalfields Ltd is a pre-requisite for securing participation in the online auctions.**

The key terms pertaining to the online Forward Auctions are provided in the “Annexure-D”. Prospective bidders are advised to read through the same.

ROLE OF “SERVICE- PROVIDER”

1. “Service Provider” is the agency (operator) primarily providing the service of the Forward auction to the “client”.
2. Finalization of the auction items in consultation with the client.
3. Defining of bidding rules for each auction in consultation with the client.
4. Enhancing bidder awareness of and comfort with the auction mechanism and bidding rules.
5. Input of the Auction items and defining the bidding rule in the auction engine.
6. Enlarging the customer base by introducing new bidders.
7. Collection of EMD, Letter of Interest etc. from the willing bidders and forwarding the same to the Client.
8. Providing access to the approved bidders to participate in the Auction.
9. Summarizing the Auction proceedings and communicate the outcome to the Client.

The responsibility of fulfillment of the contract rests between the bidders and the client and the responsibility of the “Service Provider” shall be restricted to the extent of the services provided by them.

ROLE OF BIDDER

The role of the bidder is outlined below:

- The bidder would participate in the auction with the aim of bidding to secure the auctioned item in the auction.
- The bidder would be provided access to the Auction through a “User ID” protected by a “Password”. The bidder needs to ensure that the “User ID” and “Password” is not revealed to unauthorized persons. Bidders are also requested to change the password allocated to them by the “Service Provider” to keep their confidentiality. However it would be bidder’s sole responsibility to ensure the security and privacy of the same and he/they would not hold the “Client” / “Service Provider” responsible in any manner whatsoever for any misuse of these user IDs and/or Password. Access to the auction mechanism shall be provided to all the approved bidders subsequent to obtaining their written consent to the General Rules & Regulations and the Letter of Interest. Payment of Earnest Money Deposit (EMD) as decided by the client before the start of the Forward auction will be one of the necessary conditions for participating in the auction.
- Bidders hereby confirm that they shall commit to lift the item (being bid for) at the price entered by them in the auction engine AND at the terms and conditions specified herein by the Client. All Prices entered shall be legally binding on the bidders. Bidders are strongly advised to exercise due diligence while placing bids. Failure to honor the bids placed during online bidding shall render the bidders liable for penal action as deemed fit by “Client” / “Service Provider”.
- In the event of winning an allotment in the auction mechanism, the bidder shall commit to fulfill outlined obligations under the contract.
- The bidders shall bid on the terms specified by the client & place their bid in the auction engine in the manner specified by “Service Provider”. The bidders shall not stipulate any conditions on their own unless the terms of the client (the client’s terms & conditions) expressly permit such conditions being stipulated by the bidder. Bids entered with conditions attached shall be considered Conditional bids & “service provider” retains the right of rejecting these bids even without intimating the client.

BIDDING RULES

The Bidding Rules refer to the information and terms defined specifically for a particular auction. The purpose of the Bidding rules is to provide approved bidders with the information and terms specific to the auction in which they are bidding. This would include:

- Definition of the unit bidding.
- Start Time and duration of the auction.
- Any extension of the duration of the auction in the event of bids being received towards the end of the pre-specified duration.

- Start Bid Price.
- Specified Unit for Bidding.
- Price Increments and any reduction in the price increment in the auction in the event of inactivity.
- Other attributes (informational/non-negotiable in nature).

While it shall be the endeavor of “Service Provider” to specify these rules at the earliest for each online auction, the “Service Provider” shall retain the right to delay the announcement of these biddings rules or modify rules specified earlier at the time of the online bidding. These details would be available to the bidders on the Auction Engine at the time of bidding.

Participation in the auction process presumes complete awareness and understanding of the bidding rules.

CONDUCT OF THE AUCTION:

Only those bidders who have been approved by the “Client” and handed over stamped and manually signed “General Rules and Regulations governing conduct of online auction along with Letter of Interest, required EMD amount and other necessary documents to the “Client”/ “Service Provider” prior to the start of online auction will be given “Login ID” and “PASSWORD” to enable them view and participate in online auction.

The Auction shall be conducted on pre-specified date. The Key Terms pertaining to the conduct of Auction such as “ START TIME”, “DURATION”, “END TIME” AND “AUTO EXTENSION FACILITY” Shall be specified separately for each Auction.

“Service provider” retains the right to cancel or reschedule the auction, with the approval of the Competent Authority of the Client, on any of the following reasons:

- The number of confirmed bidders is deemed insufficient to conduct the auction
- Some of the confirmed bidders are unable to access the module due to infrastructure problems such as sustained power failure or telecommunication breakdown.
- There are no bids, which are equal to or below Start Bid Price.
- Any other reason, which in the opinion of “Service Provider” / “Client” requires such action to be initiated.

The duration of auction may also vary from the pre-specified period of time either on account of termination of the auction by “Service Provider” on the advice of the Client

OR

In case of situations where it is felt that continuance of the auction proceedings is prejudicial to the smooth conduct and / or the integrity of the auction process.

OR

due to Auto Extension during the Auction, duration may increase from specified period.

In the event of any problems being faced in the smooth conduct of the auction, “Service Provider” with the approval of the Competent Authority of the Client, shall have the right to undertake one or more of the following steps:

- Cancellation/ premature termination of the auction with/ without a subsequent rerun of the auction on a mutually decided date
- Cancellation of a bid
- Locking / deactivate a bidder’s account (suspension of operations in the account), etc.

In case of failure of net connection, bidder will give his best price to the “Service Provider”. “Service Provider” will bid on behalf of the bidder with the minimum increment until the bid price reaches the best price offered by the bidder, by proxy bidding mechanism.

The best price communicated by the bidder will have to be authenticated by written confirmation or fax to the “Service Provider” and will be kept confidential between the “Service Provider” and the bidder. Bidder will be bound by the price offered.

LIABILITY OF “SERVICE PROVIDER”

“Service Provider” shall not be liable to the client/ bidders participating in the auction or any other person(s) for:

- Any breach of contract by any of the parties in the fulfillment of the underlying contract.
- Any delays in initiating the online auction or postponement / cancellation of the online auction proceedings due to any problem with the hardware / software / infrastructure facilities or any other shortcomings.

While, reasonable care and diligence will be taken by “Service Provider” in discharge of its responsibilities such as design of the online bid, communication of bid details and rules, guidance to client/ bidders in accessing the Auction Engine and placing bids, etc. the bidders shall

specifically indemnify "Service Provider" from all liabilities for any shortcomings on these aspects. It is clearly understood that these activities are undertaken by "Service Provider" to assist the bidders in participation but the ultimate responsibility on all these counts lies totally with the bidders.

RIGHT OF THE CLIENT:

The Client reserves the right to partially or totally accept or reject any / all bids placed in the Online Auction without assigning any reason whatsoever. The decision of the client would be final and binding on the bidder in any such case.

CONFIDENTIALITY CLAUSE:

"Service Provider" undertakes to handle any sensitive information provided by the client or confirmed bidders for the auctions conducted with utmost trust and confidentiality.

JURISDICTION

Any disputes relating to the online auction module shall be subject to the sole jurisdiction of Court of Law having jurisdictions over the Plant from where the materials are being sold.

DEFINITION OF KEY TERMS**Auction.**

Auction refers to a forum where the requirement for one/more lots of an item is stated and the participants (bidders) are required to bid down the price to be selected to supply the requirement.

Online Auctions.

Online auctions refer to those auctions conducted through the Internet with the bidders (from one or more locations) simultaneously bidding to be selected for supplying the item/s on auction. In other words, the venue for the auction is on an Internet website/ platform. The "Service Provider's" website assigned by "Service Provider" would constitute venue for the purpose of the online auction.

Award at the Auction.

In a single winner format, only one bidder (normally the bidder who quotes the highest price) is awarded all the units of the item being auctioned. The bidder quoting the highest price is normally allotted the item.

Client.

Client is the individual/business entity who has contracted "Service Provider" to conduct such auction. In case of auction, the purpose would be the genuine intent to sell the selected item/s (Lot) to the bidders desiring to buy these items from the Client.

Bidder.

Bidder is the individual/business entity participating in the auction, intending to buy the item(s) from the Client. To become a Bidder in the auction, a business entity has to secure client approval for participation and also provide written assent to the General Rules and Regulations .

Auction Engine.

Auction Engine refers to the software that encapsulates the entire auction environment, processing logic and information flows. "Service Provider" is the sole owner of the auction engine and retains exclusive right over the utilisation of the same.

Timings of the Online Bid.

All the timings of the Online Bid shall be based on the time indicated by the Server hosting the Auction Engine. It shall be the endeavor of "Service Provider" to ensure that the Server Time reflects as closely as possible the Indian Standard Time (IST) i.e. GMT + 0530 hrs. However, in the event of any deviations between the Server Time and the Indian Standard Time, the functioning of the Auction Engine (Launch, operation, and closure) would be guided by the Server Time. Bidders are advised to refresh both the windows of the Auction Module check the exact Server Time (displayed in both the windows).

Preview Time.

Preview Time refers to the period of time that is provided prior to the commencement of bidding. This is to facilitate approved participants to view the auction details such as item specifications, bidding details and bidding rules. The purpose is also to familiarize participants with the functionality and screens of the auction mechanism. It is not mandatory for "Service Provider" to provide Preview Time.

Start Time.

Start time refers to the time of commencement of the conduct of the online auction. It signals the commencement of the Price Discovery process through competitive bidding.

Duration of the Auction.

It refers to the length of time the price discovery process is allowed to continue by accepting bids from competing bidders. The duration of the auction would normally be for a pre-specified period of time. However, the bidding rules may state the conditions when the pre-specified duration may be curtailed/extended. The conditions include:

- Curtailment of auction duration in the event of no bids for a specified period of time (Inactivity Time)
- Automatic extension in the event of bids being entered towards the end of the scheduled duration to facilitate the other bidders to view and react to the bid.

1. Auto Extension of the Auction Timings.

In the event of bids in the last few minutes of the scheduled bid time, the Bid Timings are automatically extended for a specified period from each such bid. Such Auto Extension shall continue until no bids are placed for the specified period (Engine remains inactive for the specified period). The Inactivity Time for Auto Extension purpose is normally X minutes. "Service Provider" however retains the right to change the same. The Inactivity Time applicable for the particular Online Bid shall be visible to the bidders under the Bidding Rules module on the engine.

End of the Auction.

End of the Auction refers to the termination of the auction proceedings signaling an end to the price discovery process.

Auction Report.

"Service Provider" would provide an Auction Report to the Client containing a summary of the auction proceedings and outcome. The Auction Report would constitute the official communication from "Service Provider" to the client about the outcome of the Auction.
