		Currently in position	401	
		Vacancy	96	
5	No. of Ambulances	Total Nos.	79	
		working	79	
6	Average No. Of patients (per day)	OPD: Hosp: Disp:	135 66	
		Indoor: Bed Occup.Rate:	30.40%	
7	Whether major equipments are functional	Yes		
8	Whether life saving medicines available	Yes		

	vacancies	<p>other PSUs, Govt. Org. etc. On contractual basis.</p> <p>2. Walk-in-interview at Subsidiary level for Doctors after due approval from the competent authority for regular appointment.</p> <p>3. Company has notified the vacancies for deployment of para-medical staff from internal sources.</p> <p>4. Rest of the vacancies of para-medical staff will be notified for outside recruitment subject to sanction from competent authority.</p>
10	Future plan of action	<p>1. Of the existing 10 Hospitals, we plan 3 into Central Hospital, 3 into Area Hospitals and convert the remaining 4 hospitals into IME/PME Centre.</p> <p>2. Reduce the total bed strength from 645 to 400 keeping in mind the bed occupancy rate of the hospitals.</p> <p>3. Merger of dispensaries – of 49 Dispensaries, we recommend closure of 15, keeping in mind their distance from Area/Central Hospitals and other Dispensaries.</p>
