PRE-NIT MEETING NOTICE

Sub- Pre-NIT meeting for procurement of Drill rods/Bits for drilling of higher compressive strength Coal/ stone .

There is requirement of nearly 2500 nos of drill rods and 25000 nos of drill bits of different sizes for drilling coal and stone up to a compressive strength of 900kg/sq.cm . The proposal has been approved by competent authority. As the technical specification has to be prepared. Hence it is proposed to conduct a pre-NIT meeting with prospective/known manufacturers/vendors.

The proposed Pre-NIT meeting is scheduled at 11.00 am on 4th April 2016, in the office of The General Manager(E&M)/HOD, 9th Floor, E&M Department, WCL HQ Civil Lines Nagpur 440001. You are requested to be the part of the discussion with your valuable suggestions.

Thanking you

Yours sincerely

General Manager(E&M)/HOD
